

Biography:

Saskia Sessions, Senior Technical Adviser, Sea Alarm Foundation

Saskia Sessions has 11 years' experience in the fields of oil spill and oiled wildlife preparedness and response. Saskia previously worked as a consultant at Oil Spill Response Limited (OSRL), delivering oil spill contingency plans, training and exercises to the oil industry. She also held a post of project officer for the European Maritime Safety Agency in Lisbon, where she was responsible for coordinating EMSA's internal oil spill contingency planning and the administration of the Consultative Technical Group for Marine Pollution Preparedness and Response. Saskia joined Sea Alarm in 2009 as a Senior Technical Adviser and is now based in Brussels. She holds a Bachelors degree in Marine Sciences with French and a Masters degree in Aquatic Resource Management.
