

## **Biography:**

### **William Schmidt, Ohmsett Program Manager, MAR Incorporated**

William Schmidt is the Program Manager at Ohmsett - The National Oil Spill Response & Renewable Energy Test Facility. He has been with the Ohmsett facility since 1996 and is responsible for the overall administration and management of the facility, ensuring Ohmsett is operated and maintained as an effective, secure, safe, and environmentally responsible test facility. He is a graduate of the New Jersey Institute of Technology where he received a Bachelor of Science degree in Engineering.

Ohmsett is managed by the Bureau of Safety and Environmental Enforcement through a contract with MAR Incorporated
