

**Interspill Academy Short Courses
Monday 7 April 2025, ExCeL London
Part of Interspill 2025**

Course Title:

Response strategy development using net environmental benefit analysis (NEBA)

Course Timings:

15:15-17:30

Course Length:

2 hours 15 minutes (incl. break)

Level:

No previous knowledge required.

Instructors:

Ipieca and OSRL

Course Summary:

This short course co-delivered by Ipieca and OSRL is designed for those relatively new to the concept of NEBA wanting a better understanding of the NEBA approach and principles. This interactive session will be structured around the Ipieca good practice guide on NEBA.

Topics covered:

- Overview of response strategy development using NEBA: the four stages
- How NEBA is applied in contingency planning and incident response
- Introduction to methodologies for NEBA implementation, including Spill Impact Mitigation Assessment (SIMA)
- Importance of stakeholder engagement
